a very prominent business man in New Brunswick was telling him he saw Henry Stevens up on Easton Ave the night of the 14th of Sept. & was wondering what he was doing in that section at eleven o'clock at night, you know if the wrong party gets hold of that, it will mean a new investigation.

I had a caller the other day gives me reasons to believe there is something astir, and as the authorities know I was on Easton Ave. about eleven o'clock that night and they will surely want to know what I saw but I will assure you, if that is the case, I will positively make
